Thank you. These are great and the variety is amazing :) Helped a lot to get a little bit of atmosphere to some video I created recently.

https://youtu.be/sQvfFvw18_8

Credits given! Let me know if you got any other profils you would like to be linked.

I seem to be having some technical issues. I`ve redownloaded it twice and used different programs to unzip. The folder seems to cause some explorer issues, and the files do not play but instead error out. Any clue what could be causing this?

Hi there rubberduck, I have used this in one of my recent videos which is going to be released in a few hours.
I wanted to say thank you.
If you're interested in seeing it, below is the link(s).
